

XYZ Projects and Investments

Investments

YES Campaign – YAPG economic development campaign - \$150,000 pledge

- MIDY – A collaboration of community participants to help bring technology awareness to the area, MIDY's first project is a commercial data center
- Project Arrow – The build out of an incubator facility within the NFAA headquarters

River Walk – Yankton project designed to bring art awareness, and permanent fixtures to some of Yankton's most noticeable areas

Verve – Social organization dedicated to bringing awareness to its members and citizens of the types of activities which are important to a balanced community arena

I-29 Corridor Project – A marketing collaboration of cities along the I29 corridor in South Dakota from Watertown to Sioux City to help promote awareness nationally about the availability of resources for technology innovations

Projects

Committees – There are four committees within XYZ, Inc. dedicated to specific functions for the organization, details for specific committees can be provided upon request

Assets

Morgan Square acreage – Approximately 5 acres of property adjacent to Marne Creek, behind Morgan Square Park were donated to XYZ, Inc. by Marv Looby – used by County to store excess snow, also held public meeting with neighbors about long term plans

Library – The original Yankton library building donated to XYZ, Inc. by Steve Slowey – was sold to Garrett Horn for office space – the building is on the National Historical Society's list
